GENERAL TERMS OF SALE

1. DEFINITIONS

A. INVITATION FOR BIDS

The term "Invitation for Bids" ("IFB") refers to this document and the following items that are attached hereto and incorporated herein: the Property Description; General Terms of Sale; Instructions to Bidders; Notices, Covenants, Exceptions, and Reservations; and Bidder Registration and Bid Form for Purchase of Government Property. Should the aforementioned documents be modified or supplemented by any addenda or amendments issued by the Government prior to the conclusion of the online auction, those addenda and amendments shall be part of the IFB.

B. GOVERNMENT

The term "Government" as used herein refers to the United States of America, and is used interchangeably with "Seller" and "Grantor."

C. GENERAL SERVICES ADMINISTRATION

The term "General Services Administration" ("GSA") as used herein refers to the United States General Services Administration, a Federal agency conducting this sale in agreement with the United States Coast Guard (USCG). USCG has full custody of and all accountability for all matters, known and unknown, concerning the physical, title, and environmental condition of the Property.

D. PROPERTY

The term "Property" refers to the property or properties described in the Property Description of this IFB.

E. AS-IS

The term "As-Is" means that the Government is selling, and the buyer is buying the Property in whatever condition it presently exists, and that the buyer is accepting the Property "with all faults," whether or not they could be ascertained by an inspection of the Property or review of any due diligence material available.

F. WHERE-IS

The term "Where-Is" means that the Government is selling, and the buyer is buying, the Property in whatever location it presently exists.

G. PURCHASER

The term "Purchaser" refers to the bidder whose bid the Government accepts and is used interchangeably with "Buyer" and "Grantee."

H. BIDDER(S)

The term "Bidder" or "Bidders" as used herein refers to the offeror or offerors for the purchase of the subject Property, and is used interchangeably with "you."

I. BID INCREMENT/INTERVAL

The "Bid Increment" is the minimum amount of money required to increase a starting or current bid. "Bid Interval" is the maximum amount of time in which to make a bid before the auction ends. The Bid Interval is also referred to as the Inactivity Period at RealEstateSales.gov.

J. FLAT BID

A flat bid is for an amount at least the current bid plus the posted minimum Bid Increment. If the bid is greater than another bidder's automatic bid, the system will consider this flat bid as the current (winning) bid. If the bid is less than or equal to another bidder's automatic bid, the system will record the bid but it will not be considered the current (winning) bid.

K. AUTOMATIC BID

Also known as "bid by proxy" wherein the bidder establishes a person to bid on their behalf at auction up to a certain limit. In the case of on-line auctions, computers have automated the proxy role and bidders establish their bid limits on-line and the software answers bid challenges by automatically making the next bid increment up to the proxy limit.

L. HIGH BIDDER

The term "High Bidder" refers to the bidder, whose bid conforms to the terms and conditions of the IFB, is the highest dollar bid at the close of the auction and is determined by the Government to be the most acceptable bid.

M. BACKUP BIDDER

N. EARNEST MONEY

The term "Earnest Money" refers to the Bidder's deposit of money demonstrating the Purchaser's good faith offer to the Government to fully execute and comply with all terms, conditions, covenants, and agreements contained in any contract resulting from the Government's acceptance of the Bidder's offered bid price. Once a bid is accepted by the Government for contract, all prior deposits made by the Purchaser to register for the sale, subject to this Invitation for Bids, become Earnest Money to the benefit, custody, accountability and control of the Government.

O. WEBSITE

The GSA Auctions® website, GSAAuctions.gov, has been developed to allow the general public the opportunity to bid electronically on a wide array of Federal assets, including real property. Auctions for real property are offered as a separate asset category at GSA Auctions and can be viewed at RealEstateSales.gov. Additional information can also be found at propertydisposal.gsa.gov.

P. BROKER

The term "broker" as used herein refers to a person with an active real estate license in the State where he/she practices real estate who, in exchange for a commission, acts for another person or entity solely as agent in conformance with "Instructions to Bidders" Paragraph 13 contained herein. The "brokerage" is the business entity of the broker representing the Bidder(s). A broker must be an agent and cannot be a party to the contract to receive a commission.

2. DESCRIPTION PROVIDED IN IFB

The description of the Property, and all other information provided with respect to the Property set forth in the IFB, are based on the best information available to the GSA, Real Property Utilization and Disposal (7PZ) and are believed to be correct. Any error or omission, including but not limited to, the omission of any information available to the agency having custody over the Property and/or any other Federal agency, shall NOT constitute grounds or reason for nonperformance of the contract of sale, or claim by purchaser for allowance, refund or deduction from the purchase price.

3. INSPECTION

- A. The property will be available to view as announced on GSA's websites at <https://propertydisposal.gsa.gov> and at <http://RealEstateSales.gov>. No one will be allowed access to the Property without the presence of a GSA employee or designee.
- B. Bidders are invited, urged, and cautioned to inspect the Property prior to submitting a bid. The failure of any bidder to inspect, or to be fully informed as to the condition of all or any portion of the Property, will not constitute grounds for any claim or demand for adjustment or withdrawal of a bid after the auction.

4. CONTRACT

The IFB and the bid, when accepted by the Government shall constitute an agreement for sale ("Agreement") between the high bidder ("Purchaser") and the Government. Such Agreement shall constitute the whole contract to be succeeded only by the formal instrument(s) of transfer, unless modified in writing and signed by both parties. No oral statements or representations made by, or for, or on behalf of either party shall be a part of such contract. In addition, the Purchaser shall not transfer or assign the Agreement without the express written consent of the Government. Any assignment transaction without such consent shall be void.

5. CONDITION OF PROPERTY

The Property is offered for sale "**AS IS**" AND "**WHERE IS**" without representation or warranty, expressed or implied. The Purchaser, and Purchaser's successors and assigns, or any party-in-possession of the Property, or any part thereof, further acknowledges that the Government makes no representations or warranty concerning the title, zoning, character, condition, size, quantity, quality and state of repair of the Property. The Government makes no other agreement or promise to alter, improve, adapt or repair the Property not otherwise contained herein. As of the date of conveyance, the Purchaser shall assume all responsibility for care and handling and all risks of loss or damage to the Property, including but not limited to all buildings and other improvements located thereon, and assume all obligations and liabilities of ownership and no claim for any allowance or deduction upon such grounds will be considered after the conclusion of an auction.

8. TAXES, ASSESSMENTS AND OTHER COSTS

As of the date of conveyance, the Purchaser shall assume responsibility for all general and special real and personal property taxes or other assessments which have been or may be assessed on the Property, and for all sums due to be paid by the Government in lieu of taxes, which amount shall be prorated.

9. REVOCATION OF BID AND DEFAULT

- A. Purchaser agrees that bids made to purchase the Property are binding offers and once accepted for contract by the Government, all deposits made by the Purchaser to register for the sale, subject to this Invitation for Bids, become Earnest Money to the benefit, custody and accountability of the Government.
- B. In the event of revocation of a bid after the conclusion of an auction, but prior to acceptance of the high bid by the Government, or in the event of revocation of a bid after notice of acceptance, or in the event of any default by the Purchaser in the performance of the contract of sale created by such acceptance, or in the event of failure by the Purchaser to consummate the transaction, the Purchaser agrees that any Earnest Money and all deposits paid to the Government in any acceptable form, including credit card, together with any payments subsequently made on account, are subject to forfeit by the Purchaser to the Government at the option of the Government as damages for breach of contract, in which event the Purchaser shall be relieved from further liability. Purchaser agrees that all deposits made with credit cards are subject to forfeit upon Government determination of Purchaser's default and breach of contract. Purchaser shall not request retrieval, chargeback or any other cardholder refund.
- C. Purchaser agrees and understands that a debt to the United States of America subject to claim or collection by applicable Federal law may be created if their Earnest Money is in any way made unavailable to the Government and that any party that knowingly participates in such retrieval or refund may be held fully accountable for interfering with a Government contract. Otherwise, without forfeiting the said deposit and payments, the Government may avail itself of any legal or equitable rights which it may have under the bid or contract of sale.

10. GOVERNMENT LIABILITY

If the Government accepts a bid for the purchase of the Property and (1) the Government fails for any reason to perform its obligations as set forth herein; or (2) title does not transfer or vest in the Purchaser for any reason, although Purchaser is ready, willing, and able to close; or (3) any other contractual claim or cause of action hereafter accrues in favor of Purchaser under the terms of this IFB, Government's liability to Purchaser shall be strictly limited to all amounts of money Purchaser has paid to Government without interest whereupon Government shall have no further liability to Purchaser.

11. TITLE EVIDENCE

Any bidder, at its sole cost and expense, may procure any title evidence that the said bidder desires. The Government will, however, cooperate with the Purchaser or their authorized agent in this transaction, and will permit examination and inspection of such deeds, abstracts, affidavits of title, judgments in condemnation proceedings, or other documents relating to the title of the premises and Property involved, as it may have available. It is understood and agreed that the Government is not obligated to pay for any expense incurred in connection with title matters or survey of the Property.

12. TITLE

If a bid for the purchase of the Property is accepted, a quitclaim deed or a deed without warranty in conformity with local law and practice will convey the Government's interest. The Government does not pay for or provide title insurance.

13. EASEMENTS, ENCROACHMENTS AND RESERVATIONS

The Property will be sold subject to any and all covenants, reservations, easements, restrictions, encroachments, and rights, recorded or unrecorded, in favor of third parties, for highways, streets, power lines, telephone lines and equipment, pipelines, drainage, sewer and water mains and lines, public utilities, public roads, railroads and other rights-of-way, and any easements, reservations, rights and covenants reserved by the Grantor herein.

14. COVENANT AGAINST CONTINGENT FEES

The Purchaser warrants that he or she has not employed or retained any person or agency to solicit or secure this contract upon any agreement or understanding for commission, percentage, brokerage, or contingent fee. Breach of this warranty shall give the Government the right to annul the contract without liability or in its discretion to recover from the Purchaser the amount of such commission, percentage, brokerage, or contingent fee in addition to the consideration herewith set forth. This warranty shall not apply to commissions payable by the Purchaser upon the contract secured or made through bona fide established commercial agencies maintained by the Purchaser for the purpose of doing business. "Bona fide established commercial agencies" has been construed to include licensed real estate brokers engaged in the business generally.

15. TENDER OF PAYMENT AND DELIVERY OF INSTRUMENT OF CONVEYANCE

- A. The closing date of the sale is thirty (30) calendar days after acceptance of the bid. Upon agreement by the Government, the Purchaser may close the transaction prior to the thirty (30) calendar day period.
- B. Prior to closing, the Purchaser or Purchaser's agent may open an escrow account with an independent, unaffiliated escrow company ("Escrow Holder") to handle the closing. The Government does not mandate use of an escrow company. All closing costs, including escrow fees and document handling expenses, shall be borne solely by the Purchaser. As part of the closing, the Government will provide escrow instructions to the Escrow Holder regarding the recording, disposition of proceeds and related matters.
- C. On the closing date, the Purchaser shall tender to the Government (or to the Escrow Holder) the balance of the purchase price in the form of a cashier's check, certified check or electronic wire transfer. Upon confirmation that Purchaser's wire transferred funds have been received by the Government or that Purchaser's funds by check have been confirmed to the satisfaction of the Government, the Government shall deliver to the Purchaser the instrument, or instruments, of conveyance. Possession of the Property will be assumed by the Purchaser at the time of closing. The Government reserves the right to extend the closing date for a reasonable amount of time.

16. DELAYED CLOSING

Any change to the established closing date is subject to written approval by the Government. The Government reserves the right to refuse a request for extension of closing. However, if the Government grants an extension, the Purchaser may be required to pay either: (i) a liquidated damages assessment of \$25.00 per day; or (ii) interest on the outstanding balance of the purchase price, whichever is greater, if the closing of the sale is delayed, and the delay is caused, directly or indirectly, by the Purchaser's action or inaction and not by any action on the part of the Government. The interest rate shall be computed based on the yield of 10-year United States Treasury maturities as reported by the Federal Reserve Board in "Federal Reserve Statistical Release H.15" plus 1-1/2% rounded to the nearest one-eighth percent (1/8%) as of the date of bid acceptance. The Government may impose additional terms and conditions to grant an extension.

17. CLOSING COSTS, DOCUMENTARY STAMPS AND COST OF RECORDING

- A. All closing costs, including escrow and financing fees, shall be borne solely by the Purchaser. The Purchaser shall pay all taxes and fees imposed on this transaction and shall obtain at

Purchaser's own expense and affix to all instruments of conveyance and security documents such revenue and documentary stamps as may be required by Federal, state and local law.

- B. All instruments of conveyance and security documents shall be placed on record in the manner prescribed by local recording statutes at the Purchaser's expense.

Attn: Veronica Capron Vorva

18. OFFICIALS NOT TO BENEFIT

No member or delegate to the Congress, or resident commissioner shall be admitted to any share or part of the contract of sale or to any benefit that may arise therefrom, but this provision shall not be construed to extend to the contract of sale if made with a corporation for its general benefit. GSA employees are prohibited from bidding on the Property offered in the IFB.

INSTRUCTIONS TO BIDDERS

1. AUCTION START DATE

The auction opens on Thursday, November 20, 2014 at 3 pm (Central Time).

2. TYPE OF SALE

This sale will be an online auction conducted at RealEstateSales.gov. The auction will be conducted over a period of time, usually several weeks, as determined by bid activity. The date of the auction close (see Paragraph 10, Auction Close) will be announced at RealEstateSales.gov, with at least three business days prior notice. The auction may continue beyond that date as long as bidders continue to submit higher bids. Thus, the bidders determine when the sale closes by their bidding activity.

3. BIDS AND TERMS OF SALE

Bids to purchase must be ALL-CASH. Buyers are expected to arrange their own financing and to pay the balance in full by the closing date. No Government credit terms are available. GSA has no information on the availability of private financing or on the suitability of this Property for financing.

4. STARTING BID

The auction is being opened with an amount which does not represent the value of the Property but rather provides a reasonable starting point for the online auction. The starting bid will be displayed as the Current Bid. The Government seeks to obtain fair market value for the Property and reserves the right to reject any and all bids.

- D. Registration may occur any time prior to the conclusion of the auction. The Government, however, makes no representation or guarantee that your registration will be completed prior

to the announced date and time for the receipt of final bids. Therefore, bidders are encouraged to register before the auction opens.

6. BIDDING IN GENERAL

- A. Registered bidders may place an initial bid online by following the instructions at RealEstateSales.gov. By submitting your bid through RealEstateSales.gov, you agree that your bid is a binding offer. You will be legally obligated for any and all bids submitted using your Username and password.
 - 1) After successful completion of the registration process, users, also known as "Bidders," are permitted to participate in online auctions.  - 2) GSA Auctions® provides up-to-date information on your bidding status. You can check the bidding status by clicking on the Bid History.
- B. Bids received through RealEstateSales.gov are date and time stamped Central Time. The Government will not be responsible for any discrepancies between the time indicated on the Website and the apparent time indicated, displayed, or otherwise stated or represented by a registered bidder.
- C. Bids must be submitted without contingencies.
- D. Bidders that are currently in default status on GSAAuctions®, for non-payment or non-removal of items will not be allowed to place bids for real property. They will only be allowed to "browse" the items. Once a bidder cures their default, they will be unblocked and be given access to begin bidding on items upon receipt of the required Registration Deposit. For more information, review the GSAAuctions® [Terms and Conditions](#).

7. CONTINUOUS BIDDING RESULTS AND AUCTION INFORMATION

- A. Bidders are strongly encouraged to monitor bidding activity at RealEstateSales.gov. Bidders may also review bid activity by clicking on the "My Messages" tab once logged in. New bids are immediately posted at RealEstateSales.gov upon receipt. If you no longer have the high bid and the sale has not closed, you can go back to the item and place another bid. Bids cannot be lowered or canceled.
- B. If your bid is not accurately shown on RealEstateSales.gov, then you should call GSA at 817-978-4246. Bidders are urged to pay close attention to RealEstateSales.gov which will contain new, revised, and useful information regarding the high bid, modification to bid increment, and the closing date of the auction.

8. ONLINE BIDDING

- A. RealEstateSales.gov allows you to place either a flat or automatic ("proxy") bid. A flat bid is for an amount at least the current bid plus the posted minimum Bid Increment. If the bid is greater than another bidder's automatic bid, the system will consider this flat bid as the current (winning) bid. If the bid is less than or equal to another bidder's automatic bid, the system will record the bid but it will not be considered the current (winning) bid. The required minimum bid will be specified on the bid screen and once entered it will be displayed as the winning bid unless an automatic bid that is greater than this amount has been placed.
- B. An automatic bid is an amount that you set above the posted minimum bid. Realestatesales.gov will use as much of your bid as needed to make you the current winner of the auction or to meet the auction's reserve price. The system will automatically apply the minimum Bid Increment up to the total amount bid to make you the current winner of the auction or to meet the auction's reserve price. Your automatic bid amount is not shown to other bidders until it is reached through competitive bidding. You may change your bid amount but not less than the next bid increment amount. If the system reaches your

automatic bid limit, it stops bidding for you. Submit another bid if you want to continue bidding. If you selected to receive e-mail notifications during registration, the system will notify you if you are no longer holding the winning bid. You can submit another flat bid or reset your automatic bid amount if you want to continue bidding. Your automatic bid is not shown to other bidders. If a reserve price is set, RealEstateSales.gov will use as much of your bid as needed to meet the reserve price.

- C. When two automatic bids compete, the greater of the two always wins. If the greater automatic limit does not exceed the lesser automatic limit by the full stated Bid Increment, then the greater automatic limit bid is placed. You may increase or decrease your automatic bid limit at any time. You cannot decrease your automatic bid below the current bid. If you are currently the winner in an auction, increasing your automatic bid will not increase your current bid until challenged by another bid. Changing your automatic bid may affect the indicated time remaining.
- D. If you learn from RealEstateSales.gov that your bid was not the high bid, or if another bidder exceeds your previous high bid, you may increase your bid at RealEstateSales.gov until such time as bidding is closed. Increases in previously submitted bids are welcome and your Registration Service Fee will apply to subsequent increased bids. All increased bids must be made online. **The Government reserves the right to modify the Bid Increment at any time prior to the close of the auction.**

9. TRANSMISSION AND RECEIPT OF BIDS

- A. The Government will not be responsible for any failure attributable to the inability of the bidder to transmit or the Government to receive a bid by any method. Failure to receive a bid may include, but is not limited to the following:
- 1) Receipt of a garbled or incomplete bid.
 - 2) Availability or condition of the sending or receiving electronic equipment.
 - 3) Incompatibility between the sending and receiving equipment and software.

Occasionally, technical problems will interrupt the bidding process for an unspecified amount of time. These interruptions may affect some or all bidders. In the event of an interruption, an evaluation of the length of interruption time and the numbers of bidders affected may prompt GSA AuctionsSM to extend the closing time for an auction. Extension may range from 1 hour to 24 hours based on the aforementioned criteria, to insure fair and full competition. An email

notification will be sent to those bidders who participated in these auctions when they are extended.

10. AUCTION CLOSE

- A. The Government will announce a date and time for the Close Time on RealEstateSales.gov. The Government will also set a Bid Interval or "challenge" period for bids. The Time Remaining countdown clock announces the time left to bid. The High Bid must survive the Bid Interval without challenge, usually within 24 hours of the auction close time, to win. If the High Bid on the announced date and time survives the full Bid Interval period without challenge, then bidding will close at the stated time and consideration for award will be given to the High Bidder.
- B. If an increased bid is received within the Time Remaining and the Bid Interval is 24 hours, then bidding will be held over for an additional Bid Interval (including weekends and Federal holidays) beginning at the time the increased bid is placed. This process will continue until the high bid survives the full Bid Interval period unchallenged. Bid Intervals may be changed from 24 hours (reduced or increased) as determined by the Government. For Bid Intervals of less than 24 hours, the auction will not close during non-business hours, weekends or Federal holidays and the bidding will continue to the next business day. **The Government reserves the right to increase or decrease the Bid Interval at any time prior to the close of the auction.** Bidder agrees that notices of changes to the sale are satisfactory when made available on the Website at RealEstateSales.gov.

11. CONTINUING OFFERS

- A. Each bid received shall be deemed to be a continuing offer for sixty (60) calendar days after the close of the online auction until the bid is accepted or rejected by the Government.
- B. If the Government desires to accept any bid after the expiration of the sixty (60) calendar days, the consent of the bidder shall be obtained prior to such acceptance.

12. ACCEPTABLE BID

An acceptable bid is one received from a responsible bidder, whose bid, conforming to this IFB, will be most advantageous to the Government.

13. BROKER PARTICIPATION

- A. Subject to the terms and conditions hereinafter provided, a Bidder's Broker commission is allowed as follows to any properly licensed real estate broker/agent who submits his/her Broker Participation Registration Form according to the terms and conditions of the Invitation for Bids for this sale and whose client is the successful purchaser of the property. Commission is earned only at closing and funding for the total contract price for the property.
 - 1) Two percent (2.0%) commission will be paid on the client's opening automatic or flat bid.
 - 2) One percent (1.0%) commission will be paid on the balance remaining between the High Bidder's initial opening automatic or flat bid and the final High Bid Price.
- B. If the High Bidder's initial opening automatic bid exceeds the final sale price accepted for contract, then a total of two percent (2.0%) of the high bid price of the property(s) purchased by that broker's client will be paid to that broker as a commission.
- C. The broker's commission will not exceed two percent (2.0%) of the High Bid Price of the property(s) purchased by that broker's client.
- D. In order to be entitled to any commission, the broker must:
 - 1) Register his/her client by filling out the client's first Bid Form and Buyer's Broker Participation Registration Form in full, including the signature of the client on the form.

- 2) Submit the Bidder's first Bid Form, Registration Deposit and the Buyer's Broker Participation Registration Form via fax at **817-978-2063** or mail to: **U.S. General Services Administration, Real Property Utilization & Disposal Division (7PZ), 819 Taylor Street, Rm. 11A30, Fort Worth, Texas 76102**. Broker forms arriving without their client's first Bid Form will not be honored. Broker Registration forms sent anywhere other than the above address and fax number will not be honored.
 - 3) Assist the registration of the client for the auction and encourage bidding.
 - 4) Abide by the guidelines outlined herein.
- E. "Opening automatic bid" means the Bidder's first bid made as an automatic bid (bid by proxy), herein defined, or first minimum bid allowed, herein described or on the realestatesales.gov website and evidenced therein. Bidder and Bidder's Broker agree that only the Bidder's first bid recorded by realestatesales.gov and the final contract price will be used to establish the commission paid and that the Government's calculation and communication of said commission amount is final. Government determined commission payment is made by Bidder to Bidder's Broker and deducted from the full purchase price due to the Government. **Brokers are advised to obtain a "Buyer's Representation Agreement" or other binding agreement with their client as the Government does not guarantee that the Bidder will make the agreed payment nor is this an agreement between the Broker and the Government.** No other evidence, documentation, verbal or written or electronic communication provided by the Bidder or Bidder's Broker may be used to contest the commission amount determined by the Government.
- F. Commission is prohibited if the Bidder is a real estate broker or if the Bidder has a five percent (5%) or more owned equity or interest in the brokerage or if the Bidder is an officer, corporate or organization board member, employer or employee of the brokerage entity that claims to represent the buyer as an agent.

14. BID EXECUTED ON BEHALF OF BIDDER

- A. A bid executed by an attorney or agent on behalf of the bidder shall be accompanied by an authenticated copy of their Power of Attorney or other evidence of their authority to act on behalf of the bidder.
- B. If the bidder is a corporation, the Certificate of Corporate Bidder, included in this IFB, must be executed. The certificate must be executed under the corporate seal by some duly authorized officer of the corporation other than the officer signing the bid. In lieu of the Certificate of Corporate Bidder, there may be attached to the bid, copies of so much of the records of the corporation as will show the official character and authority of the officer signing, duly certified by the secretary or assistant secretary, under the corporate seal, to be true copies.
- C. If the bidder is a partnership, and all partners sign the bid, with a notation that they are all general partners, the Government will not ordinarily require any further proof of the existence of the partnership. If all the partners do not sign the bid, then the names of all those except limited partners must be furnished on the bid and the Government, in its discretion, may require evidence of the authority of the signer(s) to execute the bid on behalf of the partnership. The name(s) and signature(s) of the designated bidder(s) must be included on the Bidder Registration and Bid Form.
- D. If the bidder is a limited liability company, a certificate of the LLC must be completed and executed by the manager and submitted with the Bidder Registration Form. The Certificate of Corporate/Organization Bidder form may be used for this purpose.

15. NOTICE OF ACCEPTANCE OR REJECTION

Notice by the Government of acceptance or rejection of the bid shall be deemed to have been sufficiently given when faxed or mailed to the bidder or their duly authorized representative at the fax/phone number or address indicated in the bid. The processing of a bid deposit by the

Government shall not, in itself, constitute acceptance of the bidder's offer. The Government reserves the right to reject any or all bids or portions thereof for any reason.

16. AUCTION SUSPENSION OR CANCELLATION

The Government reserves the right to temporarily suspend or cancel the auction for any reason without award and resume the auction or start a new auction at any time. In the event of a temporary suspension due to technical problems or other bidding issues, the Government will determine the high bidder and the high bid amount, re-open bidding, and allow the auction to proceed according to the bidding terms described herein. The Government reserves the right to cancel the sale at any time and Registration Deposits will be returned to bidders without interest or further obligation by the Government.

17. INCREASE OF EARNEST MONEY AND TRANSACTION CLOSING

- A. Within ten (10) business days of acceptance of a bid by the Government, the Purchaser agrees to deposit Earnest Money in the form of a bank certified or cashier's check or wired funds transfer, equal to at least ten percent (10%) of the total bid in addition to any prior credit card deposits. Failure to provide these funds will result in a default and forfeiture of the Registration Deposit. Upon receipt of the Earnest Money deposit, applicable credit card registration deposits may be refunded.
- B. Upon acceptance of a bid, the bid deposit shall be applied towards payment of the Purchaser's obligation to the Government. The full balance of the purchase price in the form of a certified check, cashier's check, or electronic wire transfer is payable within thirty (30) calendar days after acceptance of the bid. At the time of closing, all monies paid by the Purchaser will be credited, without interest, toward the total purchase price.

18. REFUND OF REGISTRATION DEPOSITS

- A. Registration Deposits accompanying bids that are rejected will be refunded to bidders without interest. Bidders who provided Registration Deposits by check may elect to receive the refund by U.S. Treasury check or by an electronic funds transfer (EFT). Bidders will be required to provide GSA with a Taxpayer Identification Number (TIN) to ensure the proper refund of the Registration Deposit by the U.S. Treasury. The TIN may be either a Social Security Number (SSN) or an Employer Identification Number (EIN). The use of an individual's SSN is subject to the Privacy Act of 1974 (5 U.S.C. Section 552a), and will be collected only for the proper refund of the Registration Deposit. Refunds will only be processed to the same individual or entity identified by the TIN. Bidders requesting to receive a refund by EFT will be required to provide additional information to GSA including bank account information to process the refund. Registration Deposits provided by credit card will be credited to the same account number provided.
- B. Upon receipt of the Earnest Money described in Paragraph 17, Increase of Earnest Money and Transaction Closing, credit card deposits may be refunded.
- C. Registration Deposits received from the second highest bidder will be held as stipulated in Paragraph 19, Back-up Bidder. All other Registration Deposits will be processed for refunds after the last day of the auction or upon written request to withdraw from the auction unless the bidder is the first or second highest bidder. Refunds by U.S. Treasury check or by EFT will be processed in a timely manner but may require several weeks to complete. Refunds to a credit card will usually be processed within three business days.

19. BACKUP BIDDER

- A. The second-highest bidder will be the Backup Bidder. The Backup Bidder may be considered for award as the successful bidder for the duration of Continuing Offer period described in Paragraph 11, Continuing Offers, if: 1) the original High Bidder is unable to fully complete the transaction according to the terms and conditions of the IFB; or 2) if the original High Bidder fails to provide the required 10% of the purchase price as Earnest Money. The Bidder identified as the Backup Bidder agrees that their Bid remains a bona fide offer with which

their Registration Deposit may be retained without interest, until the High Bidder provides the 10% Earnest Money or completes the transaction or both, at the Government's discretion. During the Continuing Offer period as discussed in Paragraph 11, Continuing Offers, the Bidder identified as the Backup Bidder agrees that they will not request retrieval, chargeback or any other cardholder refund and understands that a debt to the United States of America may be created if their deposits are in any way made unavailable to the Government to which any party that participates in such chargeback or refund may be held accountable as provided in General Terms of Sale, Page 6, Paragraph 9, Revocation of Bid and Default. When the Backup Bidder is converted to the High Bidder, all terms, conditions and agreements described in the IFB are applicable to the successful bidder.

- B. The Registration Deposit of the Backup Bidder will be returned as described in Paragraph 18, Refund of Registration Deposits, if the Backup Bidder is not converted to the High Bidder. In the event that the Government is unable to complete the transaction with the highest or backup bidder, the Government reserves the right to consider the remaining bid(s) and make an award that is in the best interest of the Government.

20. ADDITIONAL INFORMATION

GSA will provide additional copies of this IFB and make every effort to answer requests for additional information concerning the Property to facilitate preparation of bids. Each bid shall be deemed to have been made with full knowledge of all terms, conditions, and requirements contained in this IFB and any amendments made thereto prior to bid acceptance. Bidders may also review the information pertaining to the Property at <https://propertydisposal.gsa.gov> or RealEstateSales.gov.

21. WAIVER OF INFORMALITIES OR IRREGULARITIES

The Government may, at its election, waive any minor informality or irregularity in bids received.

NOTICES, COVENANTS, EXCEPTIONS AND RESERVATIONS

1. The following Notices, Covenants, Exceptions, and Reservations will be inserted in the Quitclaim Deed.

A. HAZARDOUS SUBSTANCE ACTIVITY NOTICE AND COVENANTS

- 1) Pursuant to Section 120(h)(4) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended (CERCLA), 42 U.S.C. § 9620(h)(4), GRANTOR hereby gives notice that no hazardous substances have been released, disposed of, or stored for one year or more on the Property.
- 2) Pursuant to CERCLA Section 120(h)(4)(D)(i), 42 U.S.C. § 9620(h)(4)(D)(i), GRANTOR warrants that any response action or corrective action found to be necessary after the date of such a sale or transfer shall be conducted by the United States.
 - a. This covenant shall not apply:
 - (i) in any case in which GRANTEE, its successors(s) or assign(s), or any successor in interest to the Property or part thereof is a Potentially Responsible Party with respect to the Property immediately prior to the date of this conveyance, OR
 - (ii) to the extent but only to the extent that such additional response action or part thereof found to be necessary is the result of an act or failure to act of the GRANTEE, its successor(s) or assign(s), or any party in possession after the date of this conveyance that either:
 1. results in a release or threatened release of a hazardous substance that was not located on the Property on the date of this conveyance; OR
 2. causes or exacerbates the release or threatened release of a hazardous substance the existence and location of which were known and identified to the applicable regulatory authority as of the date of this conveyance.
 - b. In the event GRANTEE, its successor(s) or assign(s), seeks to have GRANTOR conduct or pay for additional response action, and as a condition precedent to GRANTOR incurring any additional cleanup obligation or related expenses, the GRANTEE, its successor(s) or assign(s), shall provide GRANTOR at least 45 days written notice of such a claim and provide credible evidence that:
 1. The associated contamination existed prior to the date of this conveyance; and
 2. The need to conduct any additional response action or part thereof was not the result of any act or failure to act by the GRANTEE, its successor(s) or assign(s), or any party in possession.
- 3) Pursuant to CERCLA Section 120(h)(4)(D)(ii), 42 USC § 9620(h)(4)(D)(ii), GRANTOR reserves a right of access to all portions of the Property for environmental investigation, remediation or other corrective action. This reservation includes the right of access to and use of available utilities at reasonable cost to GRANTOR. These rights shall be exercisable in any case in which a remedial action, response action, or corrective action is found to be necessary after the date of this conveyance, or in which access is necessary to carry out a remedial action, response action, or corrective action on adjoining property. Pursuant to this reservation, the United States of America, and its respective officers, agents, employees, contractors and subcontractors shall have the right (upon reasonable advance written notice to the record title owner) to enter upon the Property and conduct investigations and surveys, to include drilling, test-pitting, borings, data and records compilation and other activities related to environmental investigation,

and to carry out remedial or removal actions as required or necessary, including but not limited to the installation and operation of monitoring wells, pumping wells, and treatment facilities. Any such entry, including such activities, responses or remedial actions, shall be coordinated with the record title owner and shall be performed in a manner that minimizes interruption with activities of authorized occupants.

B. OTHER ENVIRONMENTAL COVENANTS AND NOTICES

- 1) Grantee covenants for itself, its successors and assigns, or any party-in-possession of the Property, or any part thereof, that it shall abide by each of the following covenants, each of which will be covenants running with the land. In addition, the United States of America shall be deemed a beneficiary of each of the following covenants without regard to whether it remains the owner of any land or interest therein in the locality of the property hereby conveyed and shall have a right to enforce each of the covenants herein in any court of competent jurisdiction; provided, however, the United States of America shall have no affirmative duty to Grantee, its successors or assigns, or any party-in-possession of the Property, or any part thereof, to enforce any of the following covenants herein agreed.

- a) Grantee has inspected the herein above described and conveyed property and has satisfied him/her/itself that the property is free of any hazardous substance(s) or petroleum products or their derivatives, and Grantee, its heirs, successors and assigns, will indemnify, protect, defend, save and hold harmless Grantor, and Grantor's employees, officers, representatives, attorneys and agents, from and against any and all debts, duties, obligations, liabilities, suits, claims, demands, causes of action, damages, losses, cost and expenses (including without limitation, costs associated with any investigation, monitoring, sampling, testing or removal of hazardous substance(s), attorneys' fees and expenses and court costs) in any way relating to, connected with, and/or arising out of the discovery of any hazardous substance(s) or petroleum product(s) or their derivatives which may have contaminated the hereinabove and conveyed property after the date of this Deed.

- b) **RADON NOTICE**

The Property is located in an area designated as Zone 1 for radon by the United States Environmental Protection Agency; therefore, the Deed shall contain the following notice: "The Property is located in Zone 1, an area determined by the United States Environmental Protection Agency (the "EPA") to have the highest potential for radon readings above 4pCi/L. Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Additional information regarding radon and radon testing may be obtained from the EPA and county and state health units.

- c) **NOTICE OF PESTICIDES APPLICATION**

The Grantee is notified that the Property may contain the presence of pesticides that have been applied in the management of the property. The United States knows of no use of any registered pesticide in a manner inconsistent with its labeling, and believes that all applications were made in accordance with the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA -- 7 U.S.C. Sec. 136, et seq.), its implementing regulations, and according to the labeling provided with such substances. Furthermore, that in accordance with the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA -- 42 U.S.C. Sec. 9601, et seq.), the use of such substances is not a "release" (as defined in CERCLA, 42 U.S.C. Sec. 9601 (22)), but instead the use of a consumer product in consumer use (42 U.S.C. Sec. 9601(9)), and the application of a pesticide product registered under FIFRA for which recovery for response costs is not allowed (42 U.S.C. Sec. 9607(i)).

C. OTHER COVENANTS AND RESTRICTIONS

Grantee covenants for itself, its heirs, assigns and every successor in interest to the Property herein described or any part thereof that it shall abide by each of the following covenants, each of which will be covenants running with the land. In addition, the United States of America shall be deemed a beneficiary of each of the following covenants without regard to whether it remains the owner of any land or interest therein in the locality of the Property hereby conveyed and shall have a right to enforce each of the covenants herein in any court of competent jurisdiction; provided, however, the United States of America shall have no affirmative duty to any successor in title to this conveyance to enforce any of the following covenants herein agreed.

1) Property “AS IS” CLAUSE

As a material part of the Consideration for this deed, Grantor and Grantee agree that Grantee is taking the Property “AS IS” and “WHERE IS” with any and all latent and patent defects and that there is no warranty by Grantor that the Property has a particular financial value or is fit for a particular purpose. Grantee acknowledges and stipulates that Grantee is not relying on any representation, statement, or other assertion with respect to the Property condition but is relying on Grantee's examination of the Property. Grantee takes the Property with the express understanding and stipulation that there are no express or implied warranties.

2) NOTICE OF AIRPORT RESTRICTIONS

A public airport may be located within six nautical miles of the Property. To the extent required by law, the Grantee, its successors and assigns must comply with Title 14, Code of Federal Regulations, Part 77, “Objects Affecting Navigable Airspace,” of the Federal Aviation Act of 1958, as amended.
